Macedon Primary School likes to celebrate and share the excellent work done by its students. This means that your child’s work/voice/image may be used in the school or the Education Department in a variety of ways. It may be used at conferences, in printed and electronic publications, including the internet and in a video for educational purposes. If you agree to do this, the work/image will appear with their first name only.

If you have any concerns or queries please do not hesitate to make an appointment to discuss this with me. Please fill in the form below and return to school as soon as possible.
