20th February 2012

Dear Parents

The Grade 5 and 6 camp to Wyperfeld National Park will be held from Monday 30th April until Friday 4th May. Similar to other years, this camp is self catered and parents are involved in many tasks throughout the week. It is planned to have a small number of parents stay for the full week supplemented by groups of parents assisting Monday – Wednesday and Wednesday – Friday.

All parents assisting on camps must have a ‘Working with Children’ check carried out. If you are keen to be involved, please send the camp assistance form back by Thursday 1st March so that organisation for the camp can continue.

Please do not hesitate to contact me if you have any questions.

Yours faithfully
