SCHOOL WORKING BEE

The next School Council Working Bee will be held on **Saturday 5th March 2011 at 9.00am.**

The Working Bee will be held from 9.00am – 12.00 noon. A sausage sizzle and refreshments will be provided. We will be working on clearing up Cable Street.

Access to the plantation is from Cable Street which can be reached by heading north from the school up Smith Street, turn right into Hill Street, then right into Cable Street.

Work is required to be carried out to minimise the fire hazards in the plantation and to remove unwanted wattles, broom, eucalyptus and gorse. Even if you can only spare one hour it would assist greatly.

Everyone is welcome but we are hoping to see lots of parents from the Grade 3 and 4 area. School Council have decided to allocate particular Working Bees during the year to the various grade areas of the school. So we are laying a challenge to the 3 and 4s first to set a high standard of attendance and effort.

**Equipment required.**
- Chainsaws
- brush cutters
- bush saws
- mattocks
- rakes
- trailers

To assist in our organisation could parents please return the following form by **Friday 4th March 2011.**

Name..............................................................................................

I / we will be able to attend...... (number of people)

I / we are unable to attend this working bee but will be able to assist during the week.

I / we are unable to attend.

We are unable to attend any Working Bees this year and would like to make our annual donation of $50.00.

Thank you if have previously made the donation
